

## **Conference Report Intermag'90 in Brighton**

U. Hartmann

The 1990 INTERMAG Conference was held from April 17- 20 at the Metropole Hotel in Brighton, UK. The meeting was sponsored by The Magnetics Society of The Institute of Electrical and Electronics Engineers (IEEE) and was perfectly managed by Brighton Polytechnic. For more than 1200 participants an outstanding opportunity was provided to meet with colleagues and discuss new and controversial developments in all branches of magnetism and related technology. The diversity of magnetism was underlined by the about 630 contributions related to 34 different topics which were presented in 35 oral and 20 poster sessions. 21 invited and more than 600 contributed papers had to be presented in up to seven parallel sessions. Additionally, a technical exhibition of materials, services, instruments and literature was held during the conference.
